

# Noah's Ark Circle Posters

[www.greenhouselearning.weebly.com](http://www.greenhouselearning.weebly.com)

Today we will make circle posters. Have you made a circle poster before? They look brilliant on bedroom walls!

With a grown up, draw a circle the size of a plate. You may even like to use a plate to draw around.

On your circle, draw a picture of every animal that Noah might have invited on to his ark.

Why not draw one circle of sea animals, one circle of land animals and one circle of air animals?

When you are done, you could put your picture on your bedroom wall or display it proudly on your fridge! Make sure you ask your grown up first!

## Coffee?

*We believe that quality education is a human right and should be free for all, no matter who you are or where you come from.*

*If you do feel that you would like to say thank you by buying us a 'coffee' then that would still be very much appreciated.*

*We will use any coffee money raised to improve the reach of our services to ensure that all children receive the creative education they deserve. We may also treat ourselves to a flat white!*
