Dear parents,

Today we are going to play a speech and language game that is also excellent for training the short term memory. You may have heard of this one before. It is called "I went to the shops and I bought..."

Enjoy!

- Greenhouse Learning x

Today we will play "I went to the shops and I bought". What you need to do is say the words "I went to the shops and I bought" and then say something beginning with A.

For example:

"I went to the shops and I bought an apple".

On the next go, the next person will say "I went to the shops and I bought an apple and..." something beginning with B.

For example:

"I went to the shops and I bought an apple and a banana".

How far in the alphabet can you go? Can you do all 26 letters?

Here is an alphabet strip to help you play the game.

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z
